VERTICALLY INTEGRATED

JLeisure is an export-oriented manufacturer of plastic leisure products with over 30 years of experience in R&D, high-quality manufacturing and worldwide sales. Sincerity, Practicality and Innovation has always been our business philosophy, which helped JLeisure to complete a vertical chain from producing raw materials to end products. JLeisure owns production lines of PVC film, silkscreen printing, high-frequency welding, sewing, and packing.

WORLD WIDE VISION

JLeisure products reach customers including global retailers in more than 50 countries in Europe, North America, Australia and Asia, etc. With 6 subsidiaries world wide, we are one of the major suppliers of plastic leisure products globally.

INNOVATIVE

JLeisure is proud to have a professional R&D team which innovates hundreds of new products every year to worldwide customers with superior design, quality and environmentally-friendly compliance. Requirements of the global market and safety regulations are closely monitored. Various technical parameters of each new product have been tested and verified by the internal professional lab.
